What am I going to be learning during the Dreams & Goals topic of PSHE in Year 3?

The Inspire

Dreams and Goals

I can tell you about a person who has faced difficult challenges and achieved success.

I respect and admire people who overcome obstacles and achieve their dreams and goals.

My Dreams and Ambitions

I can identify a dream/ambition that is important to me.

I can imagine how I will feel when I achieve my dream/ambition.

A New Challenge

I enjoy facing new learning challenges and working out the best ways for me to achieve them.

I can break down a goal into a number of steps and know how others could help me to achieve it.

Celebrating My Learning

I can evaluate my own learning process and identify how it can be better next time.

I am confident in sharing my success with others and can store my feelings in my internal treasure chest.

Our New Challenge

I am motivated and enthusiastic about achieving our new challenge.

I know that I am responsible for my own learning and can use my strengths as a learner to achieve the challenge.

Our New Challenge - Overcoming Obstacles

I can recognise obstacles which might hinder my achievement and can take steps to overcome them.

I can manage the feelings of frustration that may arise when obstacles occur.
