# Year 6: Term 5 Jigsaw

What am I going to be learning during  
the Relationships topic of PSHE  
in Year 6?

## What is Mental Health?

I will understand how and why it is important to look after my mental health.

I will understand that people can suffer with their mental health and how it is not something to feel ashamed about.

## My Mental Health

I will learn how to take care of my mental health.

I will be able to help myself and others when they are worried about a mental health problem.

## Love and Loss

I will begin to understand what grief is. I will start to understand the process of grief and the different types of loss that causes people to grieve.

I will begin to recognise when I feel those emotions and have strategies to manage them.

## Power and Control

I will begin to recognise the signs of when a person is trying to have power or control.

I can learn ways of standing up for myself and my friends in situations where others are trying to have power and control.

## Being Online

I will learn how to understand when something online is safe and helpful to me.

I will learn how to resist the pressures from others to do things online that could hurt myself or others.

## Using Technology Responsibly

I will learn how to use technology safely and responsibly to communicate with my friends and family.

I will learn how to take responsibility for my own safety and well-being.
