Year 6: Term 6 Jigsaw

What am I going to be learning during the 'Changing Me' topic for PSHE in Year 6?

My Self-image

I am aware of my own self-image and how my body image fits into that.

I know how to develop my own self-esteem.

Puberty

I can explain how girls' and boys' bodies changes during puberty and understand the importance of looking after myself physically and emotionally.

I can express how I feel about the changes that will happen to me during puberty.

Babies: Conception to Birth

I can describe how a baby develops from conception through the nine months of pregnancy, and how it is born.

I can recognise how I feel when I reflect on the development and birth of a baby.

Boyfriends and Girlfriends

I understand how being physically attracted to someone changes the nature of the relationship and what that might mean about having a girlfriend/boyfriend.

I understand that respect for one another is essential in a boyfriend/girlfriend relationship, and that I should not feel pressured into doing something I don't want to.

Real Self and Ideal Self

I am aware of the importance of a positive self-esteem and what I can do to develop it.

I can express how I feel about my self-image and know how to challenge negative 'body-talk'.

I love myself!

The Year Ahead

I can identify what I am looking forward to when I move to my next class.

I know how to prepare myself emotionally for the changes next year.
